Reference Documents for the General Meeting of Shareholders

Proposal 1: Appropriation of Surplus

Based on due consideration of the business results for the 40th fiscal year and the internal reserve, it is proposed that a year-end dividend be paid as follows.

1. Type of dividend property

Cash

2. Allocation of dividend property and total amount thereof

¥105 per share of common stock of the Company for shareholders at the end of the 40th fiscal year.

Total amount of dividends: ¥3,246,124,350

The Company carried out a share consolidation of the Company shares under which every 10 shares were consolidated into 1 share with the effective date of October 1, 2016. As ¥7.50 per share was paid as an interim dividend in December 2016, which would be equal to ¥75 after the share consolidation, the total amount of annual dividends, including the proposed year-end dividend will be equal to ¥180 per share for the 40th fiscal year.

3. Effective date of dividends from surplus

June 28, 2017
