4. None of the candidates listed above are candidates for Outside Director. Reasons why it is not appropriate to have an Outside Director is as follows:

(Reasons why it is not appropriate to have an Outside Director)

Since the management integration between Nippon Steel Trading Co., Ltd. and Sumikin Bussan Corporation on October 1, 2013, the Company has been promoting priority to integration of organizations and personnel, enhancement of operational efficiency, and maximization of synergy of the former two companies' businesses with the aim of establishing a strong business foundation as a trading company operating an integrated business and of bringing the Company's comprehensive capabilities into full play. During the process of management integration, autonomous mutual oversight functions have been effective, taking advantage of the characteristics of a company established by management integration. For example, at meetings of the Board of Directors, Directors with different careers proactively express their opinions from different perspectives. In addition, with respect to auditing by Audit & Supervisory Board Members including four Outside Audit & Supervisory Board Members (two of whom are independent officers), corporate governance systems have been working effectively. For example, Audit & Supervisory Board Members attend important meetings, such as meetings of the Board of Directors and meetings of the Management Committee, and express useful opinions.

Meanwhile, with regard to management of the Company following the completion of management integration, the Company promoted consideration with a view to selecting several candidates for independent Outside Director. However, we were unable to select candidates who have sufficient understanding of the Company's business and the present status.

We recognize that election of Outside Director is an important issue for the Company in regard to establishing superior corporate governance systems. We will continue our efforts to secure appropriate human resources and will promote preparations so that we will be able to propose election of Outside Director at the next Annual General Meeting of Shareholders.

Proposal 4: Election of One (1) Audit & Supervisory Board Member

Audit & Supervisory Board Member Mr. Yutaka Takeuchi will resign at the conclusion of this Annual General Meeting of Shareholders. Accordingly, the election of one (1) Audit & Supervisory Board Member is proposed.
